CAROLYN BURNS

KEYNOTE SPEAKER

NetPositive

Carolyn is interested in how big organizations interact with the people they impact. She specializes in designing and implementing operations and management process to make things run smoothly and efficiently. Specifically, Carolyn has helped big corporations, academic institutions, small companies and non-profits implement operational systems to understand and manage their interactions with people. Carolyn is from Edmonton, Alberta and has lived and worked in many countries. She has a Masters in Business Administration from the Schulich School of Business, a Graduate Certificate in Community Relations in the Extractive Sector from Queen's University and a Honours Bachelor of Arts from McGill University.
